ENDORING CERTAIN BILLS IN CONGRESS.

Mr. Kirkland offered the following resolution:

H. C. R. No. 21, Endorsing certain bills in Congress.

A resolution in support of Senate bill

No. 4746, which has been passed by the United States Senate, and now before Congress, authorizing the Secretary of Agriculture to collect statistics on grades, staple length and carry over of cotton on hand, on August 1st of each year, and giving amount of tenderable cotton on hand and amount of untenderable cotton on hand.

Be it resolved by the Legislature of the State of Texas:

Whereas, In recognition of the need of our farmers of the cotton regions of the United States, and the buyers of their cotton should know the grades of their cotton staple length and the amount of the carry over of each year, tenderable and untenderable cotton on hand held for the purpose at times to cause serious speculation to the farmers and also the buyer to the detriment of both, bringing great loss to the cotton industry and other industries of the South.

Resolved by the Legislature of the State of Texas, That we heartily endorse Senate bill No. 4746 now pending before Congress, as a move to help the industries of the farmers of our agricultural southland, and that such a bill will be of great value and help to the farmers of our country and all other industries as well; and we further ask that our Congressmen from Texas give their strong and loyal support to Senate bill No. 4746.

Resolved, That a copy of this resolution, duly attested, be transmitted by the Chief Clerk of the House to the Honorable Speaker of the House of Representatives of Congress of the United States; and a copy to each member of Congress from Texas.

The resolution was read second time and was adopted.

RELATING TO HOUSE BILL NO. 442.

On motion of Mr. Harding, House bill No. 442 was laid on the table subject to call.

REQUESTING CONGRESS TO PASS CERTAIN BILL IN REGARD TO ARMY OFFICERS.

Mr. Gilbert offered the following resolution:

H. C. R. No. 22, Requesting members of Congress to use their efforts to secure passage of the bill for the retirement of disabled emergency army officers.

Whereas, There are nine classes of officers in the World War, the regular

provisional, and emergency officers of the Navy, Marine Corps and Army; and Whereas, Eight of these classes have been granted by the Congress honorable retirement for their wounds and disabilities received as a result of their services in camp and field; and

Whereas, The emergency army officers who fought heroically, as evidenced by more than 2000 battle deaths in France, have alone failed to receive the honorable retirement accorded all other classes of officers; and

Whereas, There are 1646 of these disabled emergency army officers now suffering from disabilities received on the field of battle whose honorable retirement has not been granted by Congress; and

Whereas, We are informed that legislation is pending in both houses of Congress, being reported favorably by their respective committees and now on the calendar of each house (the Tyson bill, S. 3027; the Fitzgerald bill, H. R. 4548); therefore, be it

Resolved by the House (the Senate concurring), That we do urgently request our members in Congress to use their best efforts to have this legislation removing this discrimination passed at this session of Congress; be it further

Resolved, That the Clerk of the House of Representatives and the Senate join in sending a copy of this resolution to each United States Senator and member of the House of Representatives from Texas.

The resolution was read second time and was adopted.
